## Milford Bistro Wins Prestigious Award

The **Milford Bistro** was awarded the top award for food paired with a full-bodied white wine at the County's biggest culinary and wine event, **Taste**. Chris and Veronica prepared a terrine using Fifth Town chevre with Vicki's Veggies spinach and Cherryvale Farm's tomatoes and garlic and paired it with Black Prince's Chardonnay. The judges, food and wine critics from all over Canada, found their entry to be their favourite. The award now proudly sits on the bar of the Bistro.

## Thank You!

The 2008 Milford Fair again proved that , in the words of the late Phil Dodds, it is "the greatest Fair by a Dam sight". An estimated 1500 people descended on the Fair Grounds and spent an enjoyable afternoon visiting with old friends, the kids were kept busy painting pumpkins, building bird feeders and winning prizes in challenging races.

A special thanks to Charlie Vincent, aka Dr. Joe, who brought Murray Head's idea of an old fashioned Medicine Show to life along with the great lineup of talent arranged by Suzanne Pasternak..

There are too many people to thank individually and I would miss someone but I truly appreciate the help of the Directors of the Fair Board, the volunteers at Fair time, the people who bake pies and make sandwiches, those who enter exhibits and all the people and businesses who contribute so generously. Without this community spirit the Milford Fair would not be what it is today.

I also want to thank the County of Prince Edward Recreation, Parks and Culture and Public Works for their support. Although Joseph Clapp built his Saw Mill here 200 hundred years ago, it is the spirit of the people of South Marysburgh that has made the area what it is today.

- Bruce Dowdell

President, Milford Fair Board.
