A livestock truck overturned near us. A TV reporter was doing the broadcast and stated, "Two cows, Black and Gus escaped into a nearby woods." After the commercial break, the reporter made a correction. "About that overturned truck. Make those Black Angus cattle that escaped."

What is histoplasmosis? It's a flu-like disease you can contact by cleaning out old manure of birds, chickens, and especially bats. The tiny, lightweight spores are easily inhaled and like nothing better than the warm, moist environment supplied by your lungs. To protect yourself if you must clean a building, wear a face mask capable of filtering out particulate matter as small as one micron in diameter.

A story with a moral

One day a father of a very wealthy family took his son on a trip to the country with the express purpose of showing him how poor people live.

They spent a couple of days and nights on the farm of what would be considered a very poor family.

On their return from their trip the father asked his son, "How was the trip?"

"It was great, Dad."

"Did you see how poor people live?" the father asked.

"Oh, yeah."

"So, tell me what did you learn?"

The son answered:

"I saw that we have one dog and they have four. We have a pool that reaches to the middle of our garden and they have a creek that has no end. We have imported lanterns in our garden and they have a sky full of stars. Our patio reaches to the front yard and they have a whole horizon. We have a small piece of land to live on but they have fields that go beyond sight. We have servants who serve us but they serve others."

English - Chinese phrase list:

1. Are you harboring a fugitive? Hu Yu Hai Ding?
2. Stupid man. Dum Gai.
3. Small horse. Tai Ni Po Ni
4. Your price is too high! No Bai Dam Ting!
