Welcome to Milford!!

Pictured here is one of the new signs on the outskirts of Milford.

Designed and built by Mendy Berkson, these signs were one of the Milford 200 projects. The County's Public Works department set the posts on County Road 17 on the east side of Milford and County Road 10 on the west. Mendy and Bruce Dowdell installed them in time for the start of the May 24 weekend.

They will be removed in November and stored until the next spring. The banners are designed to be changed in order to promote events in Milford.

Mendy's art is another great addition to the Murals and The Miller statue.
