Friends of the Library - Continued from page 16

However, Bob Logan has been doing most of the pre-fab construction in his workshop and that is almost complete. Only trim and finishing needs to be done for the cabinets, and the counters need to be cut. At the time of writing (October 20) he is anticipating having everything done by the end of the month. Most of the work will be done between closing on Saturday and opening on Tuesday, so that patrons will be inconvenienced as little as possible.

What we won't have in place right away is the lounge furniture as we need to raise money to buy it. Donation boxes have been placed at Hicks and The Cheese Factory, and there is a "money jar" on the big table in the library. To those who have donated already, thank you.

And lastly, we really would like to swell our ranks. Being a member of the "Friends" doesn't demand a lot of your time, but what we do enriches the South Marysburgh community. If you would like to join, or just help out from time to time, please contact Lynette Pettit (miklyn@live.com, 476-7764) or Jenn Kingma (farbrch@peclibrary.org, 476-4130)

Major Award - Continued from page 1

the marketing of the bistro in the coming season. This award recognizes the commitment to personalized customer service and the offering of a creative menu focused on local ingredients.

Chris and Veronica feel that they really should be sharing this award with their amazing suppliers like Vicki's Veggies, Cherryvale Organic Farm, Black River Cheese, the Balsillies, Valleypine Farm and a lot of other local fruit, vegetable and berry growers.

Congratulations!!!
