

Monica Alyea hosted our meeting on Thursday, May 6 at 1:30pm. President Margaret Crouse opened the meeting with this goody - If life is a waste of time, and time is a waste of life, then let's all get wasted together and have the time of our lives. Monica read a poem "If" by Rudyard Kipling for her thought for the day. Secretary Marge's April minutes were accepted as read. Nine members answered roll call by telling of a flower they grow, some being forsythia, parsley, petunia, quince bush, black tulips, burdock. Card secretary Mary sent one get well card and will send to others as needed. Treasurer Wilma reported our finances which are quite healthy and - we had no bills. Monica reported that all of South Marysburgh roads were covered for the trash bash. If people had more respect for keeping things clean, this wouldn't be necessary. As a bit of interest, a Friendship Circle meeting was read to the group from 1994. Monica's program was showing the girls 2 books her grand ggranddaughter had from kindergarten. The Story

UCW - Continued from page 2

Sat. June 26 - Our annual fish fry has been forwarded due to conflict of former dates.
 Wed. July 28 - Our UCW is catering lunch for the antique car rally. (Ladies please note we will meet at 9am to prepare sandwiches, etc for this).
 The bicycle rally that we were to cater in June has tentatively been set for August.
 Treasurer Joyce reported our finances which could use an upward boost.
 South Bay is hosting the fall rally on Wed Sept 29 with Cressy and Glenora supplying dessert.
 Irene Robb moved and Maureen Rudd seconded that we support the Black Creek Chicks with a donation for Relay for Life (supporting research for cancer).
 Collection was received and dedicated. Brenda thanked the UCW for cards received to Ken and Greg.
 For program Irene read an inspiring story from the Reader's Digest called The Gift of Kindness. No one should be too busy to show kindness to a needy person, no matter how insignificant it may seem. We don't always know how much good this could serve.
 Our meeting closed with our UCW prayer.

daughter had from kindergarten. The Story Blanket and Love From Louisa. She also challenged us with questions presented to a grade 8 class from 1895 and asked if we could answer them. I would say we would be hard put to answer very many. What does this say about our education system?
 Margaret closed with a reading "Let Me See If I Got This Right".
 Maureen thanked Monica for the delicious lunch and her hospitality.
