

LIBRARY NOTES

Planning for the Summer at the Library

We are fortunate to have Lynette Pettit and Susan McDonald volunteering to present children's programs at the Ann Farwell branch on Saturday mornings during July and August.

Lynette will offer songs, crafts and story time and Susan, an accomplished violinist, will present "Get to Know the Violin". Susan will bring her own and a child's violin to try and she will play a few pieces as well. Dates and times are being determined and will be in the next edition of the Mirror.

The TD Summer Reading Program returns to all branches of The County of Prince Edward Public Library & Archives once again and the theme is "Destination Jungle". More to follow on special related events.

The Ann Farwell branch also want to hear from you regarding programming you might like presented, both for adults and children, this summer. The library's website has a survey that can be easily filled in online or drop by and complete one of the printed copies available at the branch. This is your neighbourhood library. Let us know how we can serve you!

Friends of the Library

Now that spring is here the Friends are meeting again. We've been discussing other projects to work on; not necessarily fund-raising activities, but ways to help out at the library with kid's programs, etc. If anyone has any suggestions for projects please let us know.

If you would like to join our group we meet the first Thursday of the month at 2:00 p.m. at the library. Everyone's welcome!

- Lynette Pettit.
