

Crafts, Baking and Lunch—Yumm South Bay United Church Draws Enthusiastic Crowd Hungry to Sample Offering at Annual Christmas Event

-By Dorothy Speirs

On Saturday, November 25, South Bay United Church held its annual Christmas Luncheon, Craft and Bake Sale.

As always, the event was well-attended and drew a large crowd from our own area and farther afield.

The baking table was loaded with treats prepared by parishioners and friends of the church – including several loaves of Irish soda bread baked by our own Reverend Phil Hobbs.

Patrons also browsed the craft table, picking up

gifts for Christmas, again all made by local crafters. The proceeds from Saturday's event will

go to support not only our own church, but its mission in the wider community.
