

Roots and Wings St. Philip's Anglican Church

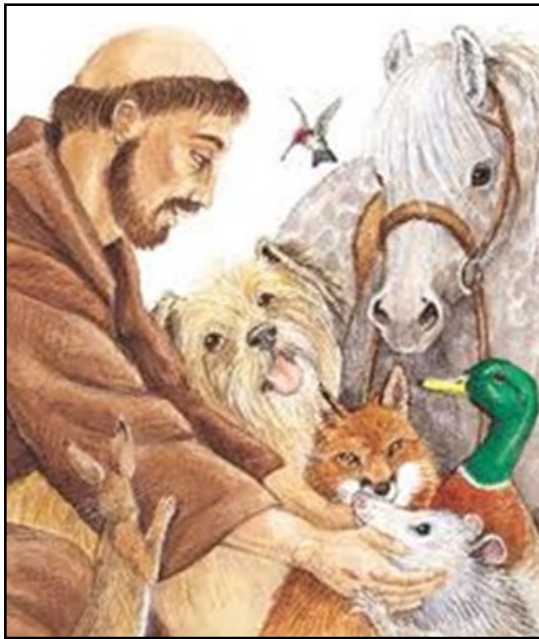

-By Elizabeth Hill

Another successful Corn & Pork Roast was held on **Wednesday, August 9th**! A BIG thank you to everyone in our community who supported this annual event! And we are grateful for those visiting the County that saw our posters and signs, and decided a delicious home cooked meal would make their holiday just that much better! The funds raised will be used to fund the

missions and ministries that the St. Philip's ACW (Anglican Church Women) supports.

And now, we are looking forward to the Fall, and the next big celebration at St. Philip's – the Blessing of the Animals! Blessing of the Animals is a well-established service of thanksgiving for all the creatures that make our lives just that much better. It is a worldwide celebration held

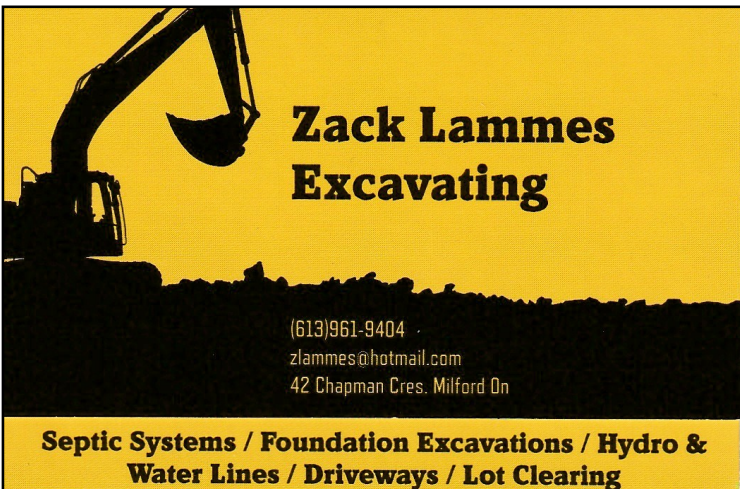

in early October of the Feast of Saint Francis – the patron saint of animals and the environment. Our celebration will be held inside the church on Wednesday, October 4th, at 5:30 p.m. Now you read that right – in the

church! And ALL pets and farm animals, companions of any kind, are more than welcome! Four legs, two legs, no legs, it just doesn't matter, come to the church

to receive a blessing, stay for a treat. We hope to see you and your pets there! Looking for more information? Go to www.stphilipschurch.ca.
