Happy New Year

Santa Made a Special Stop Sunday Night to Visit South Marysburgh's Young 'Believers'

Nearly 30 little Santa "believers" descended on the Milford Town Hall with their parents Sunday night, December 17 for a visit with jolly St. Nic. All were more than happy to tell Santa what they wanted for Christmas. Some arrived with hand printed lists and art.

While they waited their turns, the kids were entertained with games and coloring pages. After their chat with Santa each child received a gift bag.

The Santa event is a Christmas gift to the community from the South Marysburgh Recreation Committee, whose members are local residents who bring special events to our community all year long.
