

# Roots and Wings St. Philip's Anglican Church

By Elizabeth Hill

On Victoria Day, Monday, May 20, St. Philip's held its annual Kayak & Canoe outing. The sun shone warmly for our trip down the Black River. Over thirty participants left from the Chapman Crescent launch site, and paddled

their way toward the Canada flag, about halfway to the Black River bridge, and then back to the Guernsey's shore. Hot dogs, cold drinks and a social time were en-

joyed on the St. Philips lawn following the time on the water. We didn't discriminate against those who didn't quite make it all the way to the flag...there was lots of food for everyone! Does it look like we had some fun?

Well, you are right - we did!  
June is a busy month at St. Philip's! On Monday, June 17, we are so delighted to host a dinner for the migrant workers that work in the South Marysburgh area. In April we were pleased to drop off back-

packs to some of the workers at Apple Dabble Orchards, Waupoos Winery and Hughes Blueberry Patch. The packs were filled with essentials that the men might not have readily available. At that time we floated the idea of hosting a summer dinner - and it was well received!

We have also invited the farm owners, and Mary Ann and Bill Barrett from the migrant backpack program. So, if you are walking by the church on that Monday, stop by to give a "thank you" to the well-deserved workers that bring all the wonderful produce to our tables!

And we hope you can join us for our annual Multi-Family Yard and Rummage Sale on Saturday, June 22. It starts at 9:30 a.m., rain or shine, and will run until we run out of great things (or 1:00 p.m.). Please, no early birds.

And mark your calendars for our Annual Pork & Corn Roast Dinner - Wednesday, August 7, 2024!

More on this in the July and August editions of the South Marysburgh Mirror.
