The South Shore Footpath Project: A Step Towards Conservation and Wellbeing

By *Geoff Craig*

June 22nd marked a significant milestone for The South Shore Footpath Project, a visionary initiative set to create a point-to-point walking trail spanning from Point Petre to Prince Edward Point in Prince Edward County. Inspired by the success of the Bruce Trail, this project is founded on the proven belief that time spent in nature fosters a deeper love for the environment and a stronger com-
