

Refrain

Ne-ver-more _____ Ne-ver-more, _____ Oh! She'll ne-ver see her sweetheart a - ny

more, _____ 'Cause he went down the mine a-blast - in' And got

blown to ev - er-last-in', So she'll ne - ver see her sweet-heart a - ny-more!

2. She had said she loved him only,
 And it cheered his heart so lonely
 When she said her love would last for evermore;
 But his parts could not be fitted
 When they scraped him off the pit-head,
 So she'll never see her sweetheart any more.

3. Two weeks later stopped her sighin'
 For a new guy she was eyein',
 And she dried her eyes and painted up for war,
 Now with a heart a-palpitatin'
 Why, we find her settin' waitin'
 For another pair of footsteps at the door.
