

JAMES ISBESTER

EXHIBIT NUMBER THREE

VOLUME 3

1. This consists of the following:

(a). An old photograph which shows a partially completed grade for a new railway line which runs along the side of a hill with rock cuttings to the left side of the photograph and a shallow valley to the right side. Across the bottom of the old photograph can be seen the caption "Rock Cut on J. Isbester's C.P.R. Contract."

(b). A reproduction of the old photograph which has been enlarged in an attempt to assist in the identification of the site where the photograph was taken."

(c). The 35 mm. negative from which the enlarged reproduction (b) was printed.

(d). A second reproduction of an old photograph which is almost identical to the reproduction (b). This second reproduction (d) extends further to the right than does reproduction (b) and consequently does not extend as far to the left as does reproduction (b).
