

Notes - Exhibit Number Thirteen

1. The two brothers in law mentioned among the chief mourners, John R. Fraser and L. C. Fraser, would have been brothers of Anna Marie Fraser Isbester, wife of James Isbester.

2. Note that the newspaper clipping said that the last resting place for the remains of James Isbester was at Beechwood.

3. The newspaper clipping said that the chief mourners included the four sons, one of whom was R. J. Isbester. This, of course should have been A. J. Isbester.
