Walkathon

A walkathon for the Six Nations PeeWee All Stars is being planned to buy jackets. When plans are completed the date will be announced in "Tekawennake." Anyone wishing to sponsor a walker phone Roland Martin at 445-2636, or get in touch with the team.

How a walkathon works:

The distance of the walk is decided - it may be around the block, from one end of the reserve to the other or to Hamilton and back. Each walker is sponsored by as many sponsors as possible who promise to pay him a certain amount for each mile the walkathon completes. It may be 10¢ per mile, 25¢ per mile, \$1 or \$5 per mile - just whatever the sponsor feels he can afford. When the walk is completed, you pay up. Watch is kept at the starting point and at the finishing point. There will also be look-outs in cars, along the course, for any little heroes who fall by the wayside.

This is a real opportunity for residents interested in the minors to assist and encourage them. Lets go! and Tekawennake will start the ball rolling and sponsor a PeeWee at 50¢ per mile. Roland take note!
