

THE LUCK IN YOUR HOROSCOPE - Cont'd.....

having Sunday as a day of good fortune, for only you have the Sun as ruler. Wear the ruby for luck; use vibrancies of 1 to win it!

VIRGO - August 24 - September 23

You expect to work for the good luck you want, and you will find great cooperation from good fortune because you are positive in

your approach to it, willing to work so that you can truly enjoy lucky rewards. Seldom does your path lead to chances to gamble. But sometimes in a light mood you do risk. You're just on time for the jackpot at such events. Wear the Sardonyx and 5 is your number.

LIBRA - September 24 - October 23

You feel fortunate and from this personality emanates its charm and faith. For you it is good to feel you are a favorite child

of fortune, and Venus consolidates your luck with once-in-awhile great Jupiter bringing an unusually lucky occasion. Social life and culture play a role in your life second to none. You take a positive attitude toward developing your best appearance and personality most artfully. Wear the opal and use 6 as your number.

SCORPIO - October 24 - November 22

You are highly aware of what to do, where to be, how to manage. For you, this may all be said to take the place of good luck.

Your dynamic personality and sexual nature attract love and this can be good luck when you don't misuse it. Your luck can extend to marriage, career, money and good health. Pluto gives you the quality and skill to change things for the better, to succeed where others fail. Wear the smoky topaz and use the number 8.

SAGITTARIUS - November 23 - December 21

You are the joyous zodiac member who has mighty Jupiter. This is the principal governor of good fortune, the donor of it,

and the planet able to bestow financial prosperity, career success, love and good health from birth on Jupiter gives you the eager temperament to go out and find good fortune. Sports may bring you money

and fame through wise practice in them. Wear the turquoise for good luck, use 3 as your number for charm and do things of major type on Thursdays.

CAPRICORN - December 22 - January 20

You are practically pushed toward good luck by Saturn, which is the spur to ambitious work and the bestower of rewards for

it. Good luck operates through intuitive knowledge of the practical, of that which will bring good results. Others think that you are simply lucky, not realizing the immense mental work that goes into decisions and plans of yours. Wear garnet as a reminder of your abilities to win luck, use the number 4 to help you.

AQUARIUS - January 21 - February 19

Your good luck is largely a result of this seemingly sixth sense about what will truly pay off and bring happiness. Also,

your birthdate endowment of a friendly spirit courts good luck due to many friends you acquire. You are extremely true to your purposes and this can result in finding good luck in your natural process of following what you deem to be true and good. Wear the amethyst and use 7 as your number and do things on Wednesdays.

PISCES - February 20 - March 20

You seem to many to be a born winner. Neptune gives you quite a mystic guard to surround and keep you from the consequences

of your most unwise actions. Water brings you luck, so take up its sports. You are highly gifted with occult powers and they bring magic good luck. Your meditations reveal ways to seek good fortune. Wear jade to keep good luck at hand; use the number 9 wherever you can fit it in.

"Lots of times you have to pretend to join a parade in which you're not interested in order to get where you're going."

"Knowledge is power, if you know it about the right person."
