"The Lord's Prayer" (cont'd):

LEAD US NOT INTO TEMPTATION, BUT DELIVER US FROM EVIL - We should always think of the first two words "LEAD US" not to want to do things we know are wrong.

THINE IS THE POWER - Who has the power to hold the Sun, Earth and Stars on their course? Who has the power to make things grow and change? Who has the power to put love into our hearts?

THINE IS THE GLORY - God's love makes dull lives radiant. His love shines through people who return His love - by bringing joy and gladness to others. Wherever God is, life is as full of glory as the brightest sunset.

(Adapted from THINE IS THE GLORY) FOR EVER AND EVER, AMEN.
