HOROSCOPE - Until March, 1975, Jupiter
is in Pisces, planet of Luck

ARIES - March 21 - April 20

Jupiter occupies your solar twelfth house helping you find indirect opportunity and success. Build up your natural self-assurance and confidence. You have a stronger interest in self-improvement. Control impulse or enthusiasm until you understand facts and details. Work behind the scenes in building future success, as 1975 opens one of your most ex-

HOROSCOPE - Cont'd....

pansive or opportune periods in twelve years.

TAURUS - April 21 - May 21

Jupiter transits your solar eleventh house and broadens your hopes, aspiration, wishes, social popularity and friendships. Expand your social life and work harmoniously with groups. Place emphasis on the practical and realistic when your deeper feelings and sympathies are stimulated. Rely on what you have learned through experience. Your capacity for serious thinking, concentration and objectivity increase in this period.

GEMINI - May 22 - June 21

Your prestige and personal credit may reach a peak in this period. Avoid restlessness and a tendency to scatter energy in your search for the will-of-the-wisp. Concentrate on major objectives in your work. What you do may bring honor and publicity or expansion of your business and position. You stabilize your financial security, using your talents in practical ways.

CANCER - June 22 - July 23

You are more philosophical and capable of expressing sound views. Maintain essential disciplines to achieve important ambitions. Keep things in proportion or balance. You may tend to take on too much responsibility and obligation. Maintain a broad view of your interests if experiences lead to sensitive reactions and possible crystallization of emotions with old matters and family trees in this period.

LEO - July 24 - August 23

Jupiter affects your solar eighth house at this time. This position emphasizes your financial relationship with other people. Financial opportunities may require cooperation. Place importance on what you know is reliable and practical as conditions may be too promotional or uncertain. Follow a conservative course
