

HOROSCOPE - cont'd.....

in financial transactions and use opportunities arising through other people.

VIRGO - August 24 - September 23

Your best possibilities or opportunities may arise through partners and public relationships. Make important new contacts. Be certain of firm foundations in both private and public life and realistic objectives or aims. Advance interests without extremes or excesses in activity and expense. When others set too liberal or extravagant a pace for you, be moderate and practical. Use opportunity without opportunity using you.

LIBRA - September 24 - October 23

With Jupiter transiting your solar sixth house maintain tranquility and natural balance.

The pattern of your health and well-being reflects on personal interests and career ambitions. Find time for relaxation and organize your thoughts or ideas for climaxing developments in your work or profession. You complete an important seven year cycle in 1974 which has carried you to a peak in your career. Adjust to new conditions by constructive habits and routine.

SCORPIO - October 23 - November 22

With Jupiter in your solar fifth house there may be greater emphasis on the promotional and speculative. Do not rely on

hunches or intuitions about financial or business interests or be satisfied with approximations. The more organized and systematic your methods the greater your scope of opportunity becomes. Expand your social life and recreational activities.

SAGITTARIUS - November 23 - December 21

Your ruler, Jupiter, influences your solar fourth house. Bring important interests or activities to successful conclusion

and establish sound foundations for the future. Your home, family life and environment are under friendly indications.

HOROSCOPE - Cont'd.....

With Jupiter in doubtful aspect to Neptune your natural optimism and confidence may lead to blind spots in judgment at critical times. Hold on to definite and practical objectives and avoid over-expansion in this period.

CAPRICORN - December 22 - January 20

You come under a friendly aspect of Jupiter in your solar third house. Jupiter forms a harmonious aspect to your ruler, Saturn.

You may make a progressive or favorable mental adjustment despite changes and the need to overcome limitations. The way you think affects circumstances at a time when you feel the need to conform and adjust to existing worldly realities. Other people may expect more of you. Place importance on mental expansion and expression or on intellectual control of outer and passing circumstances.

AQUARIUS - January 21 - February 19

Capitalize on your assets and opportunity to add to your income. Avoid a too idealistic attitude toward money and be certain of

the motivations and reliability of people who seek your help. Try to make lasting gains and improvements in your financial position. Do not neglect old or established sources. You incline to manage your assets well or you work harder for what you desire.

PISCES - February 20 - March 20

You come under an expansive stimulus when you attract a greater degree of good luck and opportunity. Be ready to use opportunities that arise. Avoid any conflict

between personal optimism and the realities of your position or career. Rely more on tradition, real values and practical possibilities. Test your intuitions with present circumstances and maintain a definite course and purpose for maximum success and happiness.

"We don't manage to change things to suit our wishes, but little by little our wishes change"
