

INDIAN CRAFTS OF ONTARIO

The Honourable John Yaremko, Minister of the Department of Social and Family Services, recently announced a grant of \$200,000 would be given to INDIAN CRAFTS OF ONTARIO, a corporation to develop Indian crafts. The grant has been divided into three parts:

- (1) An estimated \$127,000 will be involved in the initial establishment of the Corporation. This amount will cover overhead, purchasing, shipping and marketing of the finished goods.
- (2) A further fund of \$33,000 will be set up to provide a pool of supplies and raw materials, e.g. hides, leather, thread and tools.
- (3) An additional \$40,000 will be spent in the first year for the development and training of craftsmen and assistant buyers.

Commenting on the grant, Dr. Gilbert Monture, a Mohawk, and Chairman of INDIAN CRAFTS OF ONTARIO, said "It gives the Indian the feeling at long last that the Government is thinking of us." Particularly pleased with the announcement was Art Solomon of Garson, Ontario, who initiated the idea for such a project, he says: "It is an Indian corporation and under the control of Indian craftsmen".

Inquiries concerning INDIAN CRAFTS OF ONTARIO may be directed to:

Mr. Bob Fox,
Director
Canadian Indian Centre
210 Beverley Street
TORONTO, Ontario.

SIXNATIONS SPORTS

WARRIORS CLOBBER BROOKLIN REDMEN

Brantford Warriors' coach Ross Powless went on a scouting mission last week and the information he brought back paid off handsomely Friday night.

Powless' tips helped the Warriors crush Brooklin Redmen 25-10 in a stunning reversal of form that shocked 1,115 fans at the civic centre.

It was an auspicious debut for the Warriors in the Ontario Lacrosse Association's new senior major league.

The Warriors go to Brampton next Thursday and then host Peterborough Lakers at the civic centre Friday night.
