

New Credit School had Play Day on Tuesday, May 19th after a first attempt on Friday was washed out by rain.

Donald Tobicoes's team won the most points in 9 different events.

The boys and girls enjoyed the Rope Climbing contest the best.

The mothers' softball team defeated the New Credit boys and girls 22-14 in the afternoon. However, a lot of girls and boys from the lower grades were used (to give the mothers a chance).

CARE OF TEETH - Miss Nina Burnham, dental assistant at the Ohsweken clinic reports very little progress in tooth care by the boys and girls who go to the Dental Clinic every six months.

The children are encouraged to brush their teeth between dental visits but Miss Burnham says the results after several years of the dental program are very discouraging. Many of the children are just not keeping their teeth clean.

Parents are asked to help in the care of their children's teeth by seeing to it that they have a tooth brush and that they use it every day.
