The heavens declare the glory of God; and the firmament showeth His handwork.
Psalm 19:1

Springtime - what a season! Then we see the wonder and beauty of the greenness; the grass, the flowers, the leaves and other growing things. We watch the tree-tops, anxiously waiting for the buds to appear. After a few mornings the leaves burst forth in all their green glory. What a vivid contrast these make to the intense blue of the sky and the fleecy whiteness of the clouds! It is all the artistry of the Creator.

What is true of nature is also true of the spiritual life. Do we understand the plain words of Jesus spoken to Nicodemus concerning the renewal of life by His spirit? Do we see the artistry of God in the spiritual renewal of the whole man? He is able to bring new life out of the old, even as He is able to re-create the world of nature.

Prayer:

Our Father, help us to see and know the renewal and creativity of Thy presence and power. Give us thankful hearts, that on each new day we may be renewed in body, mind, and spirit. Through Christ. Amen.

Thought For The Day

It is not the years we live,
How long the sand runs in the glass;
This only matters, that we give
Our service, as we pass.
