

Nine Belles vs Mohawks

A great game and plenty of fun was reported for Saturday night's Nine Belles vs Mohawks game at Ohsweken ball grounds. The score was 14-9 in favour of the male Belles.

The Mohawks would like to thank the Nine Belles for the game. The result was financially successful.

On the last day of school the "Burlap Gang" from the New Credit Factory defeated the Mod Squad of the New Credit School in a softball game by a score of 19-15.

Warriors Seek Reinforcements

Manager Keith Martin said on Monday that reinforcements are on the way to strengthen the Warriors in their bid for the Ontario Lacrosse Association senior "A" championship.

The Warriors suffered their second straight loss Saturday night when Brooklin Redmen whipped them 17-10 in Brooklin.

It widened Brooklin's lead over Brantford to 10 points. The Warriors have only nine games left to play in the regular schedule.

Huntsville Hawks defeated Belleville Merchants 13-10 on Sunday night to move into a tie for second place with Brantford. The Hawks, however, have played two more games than the Warriors.

"We're going to have to make changes," Martin said. "I've got to go out and get reinforcements. All of these other clubs are strengthening. I can't afford to take this club into the playoffs."

Martin said he had some players in mind but he could not reveal their names until he had them under contract. The league deadline for signing new players is July 15.
