

In loving memory of a very special Mom, "Babe" Marjorie Galloway.

*Time after time my tears still flow*

*I'd pray with all my heart and soul*

*One lifetime wish, a dream come true*

*For yesterday, and you*

*But when I am sad*

*And everything goes wrong*

*I seem to hear you whisper*

*"Don't cry, just carry on"*

Sadly missed &  
always remembered
