Opening dance: Soft shoe dancers from Six Nations school S.S. No. 5 perform at opening ceremonies Wednesday for a \$3-million addition at Ohsweken's J. C. Hill Elementary School. The addition, in-

cluding a gym, stage, classrooms and rooms for industrial arts and family studies, replaces a wing built in 1969. The ceremony also honored the Grade 8 graduates. Six Nations plans to build three more schools to replace 12 small ones.
