

Six Nations Personals (continued)

Mr. & Mrs. J. C. Hill, R.R. 2, Ohsweken, accompanied the Ontario Federation of Naturalists to an outing at Huntsville, Ont. last weekend. About 50 campers took part from various parts of Ontario and Michigan. The program consisted of various guided nature tours and snow shoeing, the snow is still 2 ft. deep there. There was also a trip to Algonquin Park in winter by motor.

The spacious new home of Mr. & Mrs. R. J. Montour has been erected at R.R. 1, Middleport adjacent to Chiefswood. The hydro strike is now holding up further progress.

The St. John's Ladies Guild is meeting on Wednesday of this week for an all day quilting session at the home of Mrs. S. A. Anderson.

Miss Ruby Montour R.N. has returned from her nursing position at the hospital at Moose Factory. She will spend a brief vacation at home before taking another position.

Mrs. J.W. Hill, Sour Springs, has returned to the Reserve after spending several weeks with her daughter, Mrs. Thomas Adams, in Detroit. She will spend a few days with Mrs. Jess Moses before returning to her own home.
