

Devotional

Then said Jesus, "Were there not ten cleansed? Where are the nine? Luke 17:17"

Noticing that his servants never said grace at mealtime, a king decided to teach them a lesson.

The king invited a beggar in torn, tattered rags to eat at his banquet table. After feasting at this bountiful table, the beggar got up and walked away without thanking the king for his kindness and generosity.

The servants were horrified and filled with anger because the beggar was so ungrateful. Then the king reminded them that this was exactly how they were treating God, failing to thank Him for all the good things they enjoyed.

Ingratitude has been a common characteristic in human life across the centuries. Jesus recognized this unhealthy trait when He healed the ten lepers. Only one returned to express his gratitude. We need to be extremely careful not to be numbered among the ungrateful nine.

Prayer: Our heavenly Father, from whom cometh every good and perfect gift, we thank Thee for the beauty and bounty of the earth - for every gift of Thy love each day brings. Help us to be more grateful and more deserving. In Jesus' name we pray. Amen.

Thought for the Day

The Christian's attitude is one of gratitude.
