Diphtheria Warning

Dr. J. H. Nicholas, Medical Supt. at Lady Willingdon Hospital, has issued a statement urging Six Nations' parents to have their children immunized against the dread childhood disease of diphtheria. There is a current flare-up of the disease throughout Canada with two cases as near as Woodstock and the recent death of a child from diphtheria in London, Ontario.

Parents should not be complacent about this highly-contagious disease. Better to be safe than sorry. Immunization shots may be obtained at Lady Willingdon Hospital.

We recall a death from diphtheria on the reserve about 1912 when Lynette Jewell Smith, only sister of Mr. Murray Smith, died from this dread disease. How often have we heard the anguished cry - "if only there was immunization then." Parents be warned.

Mounties Quitting Ohsweken

The R.C.M.P. detachment at Ohsweken will be moved to Simcoe on August 1st. Solicitor General George McIbraith made the announcement today.

Most of the service calls in the past have originated from the Simcoe district and the decision to re-locate the three-man detachment was made by officials on the R.C.M.P. to provide more efficient coverage for that area. They're needed more there than here.

Bible School

The Ohsweken Baptist Church is conducting a vacation Bible School every morning 9 A.M. - 11:45 A.M. until July 26'68.

Bible Study, Crafts, Singing, Games, Lessons.

Ice Cream Social

A pie and ice cream social was enjoyed by all who attended last Thursday evening at the home of Mrs. Lilly Lickers. Guests were served at tables arranged under shade trees where the gentle breeze could be enjoyed as well as the delectable slices of U.C.W. pies served with generous scoops of ripple ice cream, yum! jum! Doesn't that make your mouth water?

Not only that, but it is adeal to be serenaded at the same time with the fresh gospel singing of the Earl Sault Trio with soothing guitar accompaniment assisted by Mr. Norman Wright who also accompanied. All were also privileged to hear Mrs. Ethel Wright and her gifted singing family, who generously responded to encore afterencore.

A most delightful social, under the auspices of the Grand River U.C.W.
