Play was delayed a half hour until the complete Orangeville team made an appearance.

At the end of the second period the score was 22-8. In the 3rd period Warriors whipped in 12 more goals, even tho it appeared that the goalie was the target instead of the goal. The Orangeville goalie must have had plenty of sore spots at the end of the game.

Jim Squires cleared 10 more points in 2 goals and 8 assists. Claude Sault's seven goals gave him a total of 51 goals for the season, highest in the league. Claude was also the first player to win the "Shootarama". He earned \$80 worth of men's clothing for Bruce Studeman.

The Warriors complete the season's schedule this week by going to meet Fergus on Friday night and meeting Wallaceburg Red Devils on Saturday night at the Civic Centre.
