"HAPPY BIRTHDAY NEAT"

S. are being invited to take part, and requests are being made for billets for one or two nights for these visitors. Contact the pageant committee for information required.

Home Improvement

It is quite noticeable that the Reserve presents a much neater appearance after the garbage disposal program and the attendant sure earned his money on our road.

Now comes an opportunity for further improvement and being paid for it in the bargain. The energetic Ohsweken Fair Board is sponsoring a second Home Improvement Competition. With prizes ranging from 1st. - \$60.; 2nd. - \$50.; 3rd. - \$40.; 4th. - \$30. to 5th. - \$20.

Be sure and have your entries in by June 1st, next Saturday, to the secretary, Mrs. George Garlow, phone 445-2578.

The final judging will take place the first week in September. Last year's competition was a huge success, judging by the "before" and "after" slides taken and shown last fall when the winners were awarded their prizes.

"The Gospel in Song"

The Six Nations people can fill the Ohsweken Community Hall for the occasional dance and relaxation. They can also fill it to overflowing for enjoyment in "The Gospel in Song" as the occasion was last Saturday evening, sponsored by the Six Nations Inter-Denominational Committee whose president is Norman Wright and secretary Morley Styres.

The opening prayer was invoked by Rev. Dan Butler and congregational singing followed.

The entire audience sat entranced and listened attentively to the marvellous singing and musical numbers for four solid hours, from 8 to 12 p.m. and we're positive that robust music lovers could have sat and listened for longer.

The McNeely male choir from Friendship Baptist Church, Buffalo, appeared twice on the program. Their offerings were anthems in harmony and the familiar spirituals.

A teenage group from Niagara Falls N. Y. sang their harmonized songs of Praise to their own orchestral accompaniment.

The humbers by the unusually talented Johnathan family of Lewiston, N.Y. were well received and encored.

The offerings by local groups consisted of Gospel songs in harmony to musical accompaniment were also above par - the Arthur Wright family, the Lawrence Johnathan family and the Wright Quartet.

The mixed choir of the Holy Temple Church in Buffalo, N. Y. also deserves special mention.

Further, one could not but be impressed by the fine group of young Six Nations men who arranged the entire program and were in attendance as ushers; Earl (Bunn) Gault, master of ceremonies, Rev. Dan Butler, Robert Williams, Norman Wright, Arthur Wright, Morley Styres, Edward Staats, Fred Hill, Truman Hill; Lawrence Johnathan, and there may have been others who assisted with this inspired and joyful program.

Sunday School Helpers

At an interval during the regular Sunday morning service at Grand River, the attending Sunday School presented to the church the proceeds of their "Miles for Music Walkathon" and also a dozen hymnaries. On behalf of the church members, Mrs. Andrew Jamieson gratefully received the gifts from the tiny children and thanked them for their splendid efforts and their assistance to the church.
