When Tomorrow Starts Without Me

When tomorrow starts without me
and I am not here to see.
If the sun should rise and find your
eyes filled with tears for me,

I wish so much you would not cry
the way you did today..
While thinking of the many things
we did not get to say.

I know how much you loved me,
as much as I love you..
And each time you think of me,
I know you will miss me too.

But when tomorrow starts without me
please try to understand
That he came and called my name
and took me by the hand,

And said my place was ready
in heaven far above..
And that I would have to leave behind
all those I dearly love.

So when tomorrow starts without me,
do not think we are far apart..
For every time you think of me,
I am right here in your heart.
