SMOOTHTOWN BRUINS STILL CHAMPS

Hagersville...April 3, 1973

The hockey season for the Commerical league has come to an end and the Bruins are still the Champs. The Smoothtown Bruins were presented with the playoff trophy after downing the Sour Springs Spoilers 7-0 in the fourth and final game of the playoff series.

The Bruins won the trophy last year and have proven themselves worthy of it again this year. Team work has been the main factor in any victories over the other three teams in this league and Gary Powless goalie for the Bruins would be entitled to a facsimile of the Vezina if one was given.

"Congratulations guys"

Altho' the Spoilers lost the series they are also entitled to congratulation for even being in the finals, this being their first season in the league. Several players are to be praised for the great effort which they put forth, mainly Cec Davis and Cam Hill. They both played especially well throughout the series for someone not used to a regular shift on the ice.

Any charges against Spoilers' Bill Hill in the first final game were dropped and he was reinstated enabling him to play in the final game.

The first period was played defensively resulting in only one goal, scored by Joe Hill of the Bruins assisted by Hat-Trick Bill, putting the Bruins ahead 1-0. 3 penalties were called this period.

The second period was infested with penalties. The cause being a very serious case of frustration. The Spoilers because they couldn't score, the Bruins because they were having a hard time getting ahead. The Bruins managed to get two goals one by Bill Squires (assist Joe Hill), at 9:16 and one by Ken Maracle, the assist going to Snip Hill 13 penalties were called, 8 to the Spoilers and 5 to the Bruins.

Spoilers Cec Martin received a minor and a 10 minute misconduct.

The third period busted wide open with the Spoilers trying their darndest to get in the game and the Bruins determined to scuddle them. Butch Hill scored the first two goals of the third period both assisted by Bill Squires. The first goal came 9 seconds after the start of the period. Terry Hill scored a goal halfway thru the period assisted by Joe Hill. Joe scored the last goal of the game set-up by Butch Hill. 7 penalties were called, four to the Spoilers and three to the Bruins.

The Championship Trophy was presented to Bruins Captain Frank Montour by league president Eddie Staats.

Good-bye Commerical League Hockey Fans.
