********** -NEW YEAR SPECIAL-HAPPY NEW YEAR

"Happy New Year" comes the greeting, In the same old friendly way, May the New Year bring good fortune, Is my wish for you today. There'll be be many happy moments To be treasured from the past, But let's make a brighter future, As the New Year dawns at last.

So my New Year's resolution, Will be to live each single day, By itself, and live it fully In a special sort of way. Not to worry over trifles, But to do the best I can To fill my time with deeds constructive, And to serve my fellow man.

And to keep my sense of humour, (Especially when things go wrong,) For I know a happy chuckle Helps each daily chore along. And in this old world of sorrow, There is really no harm done, If we look upon the bright side, And enjoy a little fun.

mental and manual tasks. Are not For the trials that upset us, Half the time don't come at all And we've worried all for nothing, Lest some tragedy befall. So for a New Year's Resolution, Think of joys instead of sorrow, For today will be a yesterday,
