DO YOU REMEMBER?

July 21, 1914 - Council decided to
authorize the Visiting Superintendent
Major Smith to ask the Department to
issue a cheque of \$200.00 to be used to
fight against the army worms if they
come into the reserve & appointed Wm. H.
Jamieson, Forest Bailiff & Major Smith
to watch the movements of the worms.

The bee she is a busy soul
She has no time for birth control;
And that is why in times like these
There are so many sons of B's.
