

HOROSCOPE - MAY - Cont'd.....

You will be the center of attention from those who love you and those who esteem your work. You accomplish much in an easy way now, and all you do will prosper. Your mind may turn to adventurous educational desire now.

**LIBRA - September 23-October 22**

This is one of your more social and romantic months. You will enjoy being with people. Danger of throwing caution to the winds is here. You want a type of success which is completely different from your current work efforts. Making a big change is all right; go along with consequences whatever they are.

**SCORPIO - October 23-November 22**

Real trouble may be stirred up as the result of a new romance now. Your family can be firmly against this and you may be determined to go your own way. This month is fine for sightseeing, combining business with pleasure. You feel that you are out from under financial and business pressures.

**SAGITTARIUS - Nov. 23 - Dec. 21**

Your health may be delicate, respiratory troubles may beset you. If you complain or try to domineer over a loved one, you will regret it. You may waste quite a lot of time now, spend too much of it in spontaneous pleasures. Do not postpone seeing a physician if you feel sure there is need.

**CAPRICORN - December 22 - Jan. 20**

You will be more happy but you can also be mischievous, frivolous and verge on the disloyalty of a lifemate. You might quit

HOROSCOPE - MAY - Cont'd.....

your job in a sudden burst of anger at work. All of this must be kept out of your life as much as possible. Go slow where you are making important business decisions pertaining to your future.

**AQUARIUS - January 21 - Feb. 18**

Your temperament is now highly unpredictable and if you take to the road on impulse you are likely heading straight for trouble. If married, your lifemate must be treated with much affection. You could endanger marriage by the freedom you insist upon.

**PISCES - February 19 - March 20**

Self-confidence and self-reliance come to the fore in sufficient amounts, so that you should be able to achieve much in economic and social striving. Hold back from any arguments over money. Health can be adversely affected if you do not listen to voice of reason and protect it.

**-THANK YOU NOTE-**

I wish to express sincere thanks to all the people who sent cards and flowers while I was hospitalized in St. Josephs in Hamilton.

Mrs. Helen Longboat

I wish to thank all relatives, friends and neighbours who sent cards, letters and flowers during my stay in Chedoke Hospital in Hamilton. I also wish to thank everyone for their cards of sympathy upon the death of a dear son, Philip Peters.
