SOFTBALL

The Six Nations Braves were defeated 15-11 by the Owen Sound North Stars at the Hagersville Arena Saturday night May 19, 1973.

The loss was the third consecutive loss for the Braves whose only win was against the Fergus thistles in their opening game.

Player-coach Bill Squires led the Braves in goals with three. Other goals were scored by Larry Green and Jack Hill two each and singles were added by Butch Hill, Gil Bomberry, Boss Squires and Tim Squires.

The Braves and the North Stars had a regular little war going during this game, seven game-misconducts were called, four to the North Stars and three to the Braves. The Braves received 68 minutes in penalties and the North Stars 77 minutes in penalties.

.....

Although the Braves have lost three games the total number of goals for is 55 and the total number of goals against is 59. Not bad for a losing team.

.....

The hold the Chiefs have on first place was increased Friday May 18, when they defeated Newtown 19-15 at the Six Nations Arena.

The Six Nations Chiefs play in the North American Lacrosse Association's western division. The win was the fourth straight win for them.

Eugene Smith led the Chiefs with four goals, Roger Martin scored three and Darby Thomas, David Davey and Ted Bomberry each scored twice.

Laverne Stevens scored five times for the Newtown team.

With 1:20 left in the game Newtown's Junior Young was hurt.
