

HOROSCOPE - JUNE - Cont'd.....

and you will be happy with a new friend who shares your enjoyment of philosophical ideas and love for adventurous experiences. You may not pay much heed to realistic career matters; try to buckle down.

VIRGO - Aug. 24 - Sept. 22

You can feel at times that destiny is really putting you through the wringer. Situations you sought to bring to a close may continue much to your unhappiness. Relationships are threatened and where harmony is needed you should supply it instead of being too independent and morose.

LIBRA - Sept. 23 - Oct. 22

You have plans that are almost beyond description and you are not inclined to consider the welfare of others in the family. This should be altered and you should act with love for family as a motivation. In speech with neighbours, associates and friends, do not show a superior attitude.

SCORPIO - Oct. 23 - Nov. 22

Love is strong although accompanied with nervous worry and some brooding about family relationships. Enjoyment of pleasures may be marred somewhat by your inner concerns. You need a restful atmosphere and you must not overwork. Self protection comes before work, just now.

SAGITTARIUS - Nov. 23 - Dec. 21

You may travel far and visit people who show you a wonderful time. You will feel the sense of drama in life which delights

HOROSCOPE - JUNE - Cont'd....

you. Your ideal of never having a dull moment can be fulfilled constantly. There are menacing factors for your reputation present.

CAPRICORN - Dec. 22 - Jan. 20

You will be extremely ambitious now but not in your customary way. You will want to skip the hard work. You can receive some severe rebuffs and find yourself furious about them. Loss of temper now can set you back a great deal. In romantic matters you can take a high hand and may make a loved one nervous, even turn this person's love to intense dislike.

AQUARIUS - Jan. 21 - Feb. 19

You can sink into some imaginary feelings of being mistreated and unappreciated. Trying to change your conditions will not work out, and you must not take any advice urging you to make a drastic change. You can make a shambles of your life now if you do not guard reputation and possessions.

PISCES - Feb. 20 - March 20

At work you will be in supervisory capacity and may take on new pride in your abilities and use of them. Personal life is full of parties, gourmet meals, some glamorous new scenes. It is a good time to take up a new sport. Let all your relationships be good and give you no problem.

"By working faithfully eight hours a day, you may eventually get to be a boss and work twelve hours a day."
