INDIAN HANDICRAFT BAZAAR

The Independent Indian Handicrafters held their fourth annual bazaar on Saturday, November 3rd at the Community Hall in Ohsweken.

More than 1000 people attended and the event was a huge success. The displays included corn husk dolls, beadwork, leather work, etc.

Thirty-three booths were set up and all were from the Six Nations reserve.

The purpose of the bazaar is to make the public aware of Indian craftwork.

"If words were invented to conceal thought, newspapers are a great improvement on a bad invention."
