HOROSCOPE - Mentality

ARIES - March 21 - April 20

The Arien mentality is alert and keen, quick to grasp the meaning of life's experiences. This native is eager to learn and to share his knowledge. Discussions, debate and all forms of oratory are natural and effective means of learning and teaching. The great literature of the world represents a treasured heritage to this restless, searching mind.

HOROSCOPE - Mentality - Cont'd.....

TAURUS - April 20 - May 20

A retentive memory marks the Taurean mentality and eases the acquisition of a thorough and useful education. Strong reasoning powers and sound judgement guide the Taurus native in acceptance of the concepts he can use in his life. Practicality is the basis for most of his mental activity; determination generally leads to success.

GEMINI - May 21 - June 21

Gemini's mentality is truly mercurial in nature, adaptable, flexible, active, imaginative and resourceful. Curiosity leads the Gemini native to explore all avenues of thought, and he learns something interesting and provocative from every experience of life. A good memory, fluent speech, an unbiased, accepting attitude contribute to lively, exhilarating communications with others.

CANCER - June 22 - July 22

The Cancerian mentality is sensitive, comprehending, domestic and culminative. With diplomacy and discretion the native of Cancer expands his understanding of life's experiences to final insights of truth. He has a deep, natural love of tradition, yet an equally strong recognition of the constant changes of life. The lessons to be learned from man's past history are his guide to future action.

LEO - July 23 - August 22

Leo's mentality is strong, penetrating and independent. The Native is kind and pleasant, but has high ideals that he cannot compromise. All mental activity is undertaken with confidence and ambitious purpose, for Leo responds to an inner urge to prepare himself for action and for leading others. Communication is clear and intelligent.

VIRGO - August 23 - September 22

The Virgoan mentality is sharp, shrewd, analytical and intellectual. The Native of Virgo
