the way it is now. Your discontent could cause you to speak harshly to a lifemate in public. Such conduct is not worthy of you. Try to respect the dignity of all, esteem your loved one; do not let this relationship be a matter for gossip. Show your real attitude and avoid public speculation.

GEMINI - May 21 - June 21

The realms of love and pleasure hold pitfalls for you. Your career can be adversely affected if you cater to desires for pleasure even though these are your own right. Do not let a frown of a worry or puzzle get engraved on your forehead. It is a difficult month, but if you can come through it smiling, the victory can be considerable. Expect delays, postponements, absenteeism to hold back your more natural progress

CANCER - June 22 - July 22

Try to keep a level head about money. Affluence is promised but extravagance can under-mine the whole works. If you have children, cherish them and be as proud as possible of them. Your faith will be increased now and you can get a better understanding of occult matters, have a more prophetic spirit in your speech to others. You may make a splendid impression on an executive.

LEO - July 23 - Aug. 22

Your emotions can be demanding and you may want to change a romantic situation into a marital one. There can be opposition. Patience will be needed and you must not allow emotions to drag you down into a gloom. There's more noticeable aim in what you do in work over the third week. There are tendencies to censure, criticize and find fault.

VIRGO - Aug. 23 - Sept. 22

Ambitions are stimulated

FEBRUARY - HOROSCOPE

ARIES - March 21 - April 20

You can be quite slothful and inclined to bask in romantic pleasure while you neglect things which should be done. Be careful not to treat love lightly as a game. Discipline your own mind to more solemn ways and let this cycle bring more maturity to your outlook. You may be curious about an event in your life but you will be wisest not to ask questions.

TAURUS - April 21 - May 20

You may accomplish vast work achievements but still be dissatisfied. You may feel out of kilter with the world
