

HOROSCOPE - Cont'd

and you might sprint along over the heads of others, even trampling them somewhat in your desire to get ahead. You can turn social life into an arena to gain your purposes. It will be well to be ethical at every moment. This goes for career, financial and romantic interest. Someone interested romantically can be disillusioned at your worldly ideas. Activities are also questioned.

LIBRA - Sept. 23 - Oct. 22

You will swiftly leave your easy chair and get down to work now. Restless energy has you in its grip and you will fill the days with accomplishment. It is a good time to seek a new job; impressions you make now will be all to the good. You may want more glamor in your daily routine and be able to get it due to your appearance. Hold your money for more steady and solid days to come.

SCORPIO - Oct. 23 - Nov. 22

Your ambitions are solid and you can make great strides in career matters. More money will come in, perhaps from a major sale that is fortunate. Be concerned about those in your home and take time off a few evenings to entertain pleasantly. Make sure there are abundant provisions for those dependent on you. You may make a highly romantic impression on someone new.

SAGITARIUS - Nov. 23 - Dec. 21

You will go in for the life of pleasure, be weary, of work. Partnerships are favoured and business can be expanded. Earning power and income are improved. A new friend you make can be a constant companion in pleasures and you may confide too much to this person but receive no confidence in return. Now is the time to up your social and economic status.

CAPRICORN - Dec. 22 - Jan. 19

You may become morose, nurture great ambitions and also a measure of discontent with your marital situations. If you are harsh or sullen in the home, you may begin the rocky road of separation from family. Do not let emotions get out of hand and make accusations. Make an effort to be very loyal and appreciative of others.

AQUARIUS - Jan. 20 - Feb. 18

You will really build up your courage now and forge ahead in quite a steady way. Your ambitions are large and a new note of practicality enters in. In romantic matters you can be very heedless, may hurt feelings of another and pay no attention. Your way is quite high handed and you need this attitude in order to overcome doubts you cannot escape; be strong enough.

PISCES - Feb. 19 - March 20

You will be more money-minded than usual and be quite miserly when it comes to big expenditures that are needed. Happiness in some new relationships can be somewhat unique. You are joyous because you are among very honorable people. It is well to appreciate your situation. Be on guard in any argument that could become really stormy.

FELLOWSHIP AWARD
