In Memory of My Indian Father

Dear Father:

It seems like only yeaterday you were laid to rest
Your body through with life's rugged test
You asked us not to weep with sorrow
Bit to carry on and work for a better tomorrow

Dear Father:

You left us with a memory fond
And we think of you now in the great beyond
You worked many years for your country and your people
Among your fellow men, you stand tall as a steeple

Dear Father:

With us you will always be
In our thoughts and in the things we see
In this country of ours, wherever we roam
We'll see reminders of you in this land, you called home

Dear Father:

The Great Spirit has taken you to your well earned rest
And we'll remember you for the things you did best
You served your country and your people too
But your family always took first place with you

In memory of the late
Wm. F. Powless
Always remembered by Son
Jim Powless

In Loving Memory to Leslie A Curley
Who passed away Jan. 29, 1971.

Because we'll never forget
The love we shared with you
We keep in mind the day you left
And count the year as two.
Always remembered by Sis Erna,
Nieces Lisa, Toni, and Erica
Nephew Eugene (Beau) Miller.
