ies were called (talk about being grouchy when you're tired). Lambs Corners scored three times in the last period but the goals did nothing but get them on the scoreboard.

TERRY GENERAL HERO OF ALL-STAR GAME

Hagersville...March 14, 1973

The game between the Smoothtown Bruins and the Sour Springs Spoilers was cancelled so an All-Star game between Smithville and a team consisting of players picked from the four teams in this league could be played.

Springvale was the name picked for the All-Star team because of its being the centre point of the four teams in the League.

Of course the final score was a farcical 9-3 for the Springvale team.

Altho three goals were scored the first period was inexpressible other than slow motion. At the end of the first period Smithville led the game 2-1. John Porter scored for Springvale. Three penalties were called in this period.

Altho' Hat-Trick Bill only scored twice, both goals were stabilizers of the second period. Both goals tied up the score. Smithville scored once in this period, the goal coming between Bill Squires two. Terry General hero of this game scored two goals in this period and Frank Montour added a single. Penalties were held to a minimum. Smithville was called on one and Springvale on 2.

The third period was played in typical Indian Fashion. Terry General scored his hat-trick goal before any penalties were called. His fourth goal was assisted by Frank Montour.. Allan White scored the last goal of the game. 8 penalties were called.

Unfortunately some may say the win was fortuitous but the players who have had a tendency to be absent can vindicate any statements made to this effect by simply fulfilling their obligation to the players who tried to carry them when they were A.W.O.L.

The first period was definitely a hockey period. Cec Davis scored the first goal assisted by Cam Hill who scored the second goal assisted by John Porter who scored the third goal assisted by Cec Davis. Greg Fraser scored the fourth goal assisted by Carmen Porter. No penalties were called in this period.

Cam Hill scored a hat-trick goal in the second period one goal assisted by Jimmy General, two assisted by J.P.. Greg Fraser managed to sneak in a goal (unassisted between Cam's third and fourth goal. Two penalties were called in this period.

The Spoilers went scoreless in the third but indications are they were slightly weary. Four penalt-
