\*NOTICE\*

The Arena Committee are now campaigning for SEATS. They are asking people to buy seats at \$20.00 apiece, as many as they like. In turn their names will be placed on a plaque as having donated a seat or seats. These are all liable for income tax deduction receipts.

These seats may be obtained from any Arena Committee member or executive. For further information - CONTACT - Syd Henhawk - 445-2137.

The money is needed for seats because the \$180,000 will not cover them. So EVERYBODY dig down and buy a seat.
