NEW CREDIT NEWS

The New Credit teachers attended the Language Arts Work Shop at Ohsweken Central School on Monday, Jan. 13. It dealt with the ways movie films can be used in teaching. The next session will be on the second Monday in February. The children will be getting out of school an hour earlier each time there is a workshop session.

School T.V.

The new T.V., which is being paid for by the boys and girls of New Credit School, is being used regularly for educational programs. The portable T.V. can only show channels 11 and 13 but even with just 2 channels to choose from, there is an amazingly large number of ETV programs to choose from.

Any parents wishing to watch ETV programs may get them any mornings on channel 11 and 13. There are some good 15 and 20 minute programs on Indians and Indian Reserves.

T.V. Donations

David General's band are holding a dance at Ohsweken with all the proceeds, after expenses, going toward the New Credit School T.V. fund. The fund is now up to \$50.00

These young people are certainly to be congratulated on their fine community spirit. Some adults are needed as chaperones and helpers to make the evening a success. Anyone interested may contact Dave General c/o Mrs. Roma LaForme.

The date of the Benefit Dance has not yet been set but it will be a Friday night in February.
