ALL ONTARIO INDIAN HOCKEY TOURNAMENT - Won by Six Nations

Last Saturday at Strathroy - the games played by the Six Nations against Oneida in the semi-finals, then against Sarnia in the finals was indeed typical of the Russian-Canadian ones with all the dash and ruggedness of the N.H.L. thrown in for good measure. The goal keeping on both teams was superb and all teams are to be commended in this department.

The one-sided scores in both games does not take away the lustre nor the glory of the performances of any of the teams, nor does it indicate how bitterly each score was earned.

In the game against Oneida, the scoring honours went to the following players: Albert Porter, Randy Hill, Victor Porter, Brian Martin; Jim (Squire) Hill, Gaylord Powless, Bill (Squire) Hill. They all scored one each, for a total of seven. Oneida failed to score. The goal-keeping honours went to Ed. Staats and Gil Martin. They just simply could not be beaten!

In the final game, the Six Nations won over Sarnia by a score of 17-6. The following won scoring honours: Gaylord Powless 3; Bill Hill 3; Randy Hill 3; Rolly Smith 2; Steve Smith 2; Clifford Lickers, Jr. 2; Allen Lickers 1.

To pick out "The Three Stars," in this final game would, indeed, be difficult to do. It would be much easier to pick out a star for each player and then, quickly walk away. The older members of the Six Nations deserve "warm hands" for their solid hockey head work, their fine defensive work, their stick-handling and the way they still "throw their bodies around."

Congratulations to you all for bringing more honours back to your selves and to your people.
