### About Ben Adhem

Abou Ben Adhem (may his tribe increase)  
Awoke one night from a deep dream of peace  
And saw within the moonlight of his room,  
Making it rich and like a lily in bloom,  
An Angel, writing in a book of gold.  
Exceeding peace made Ben Adhem bold  
And to the "Presence" in the room, he said;  
"What writest Thou?" The Vision raised its head,  
And, with a look made of all sweet accord,  
Answered; "The names of those who love the Lord."  
"And is mine one?" said Abou, "Nay, not so."  
Replied the Angel. Abou spoke more low,  
But cheerily still, and said "I pray thee then,  
Write me as one who loves his fellow-men."  
The Angel wrote and vanished. The next night,  
It came again with a great waking light  
And showed the names whom love of God had blest,  
And lo! Ben Adhem's name led all the rest.
