

SMOKE: Wilma (Buck)

One year ago March 18, 1993  
we suffered and yet still are suffering  
the terrible loss of our  
dear Aunt.

*Through my mind I remember  
The times that we had once  
shared*

*Remember the good*

*Forget the bad*

*You left us down here*

*All so very sad*

*Your presence we miss*

*Your sense of humour we will  
always treasure*

*Forever loved and yet never  
forgotten by*
