Chiefswood Cultural Centre

In Chiefswood Indian Village there is a building erected by the Chiefswood Indian Village Committee, for the purpose of housing Indian Crafts for tourist attraction.

This building "Chiefswood Cultural Centre" is now open for visitors to any Six Nations Indian who has crafts for sale.

Attempts are being made to make this an interesting and informative "Show Place."

Crafts made by Canadian and U. S. Indians as well as Six Nations are on display.

Europeans are especially interested in Indian crafts, some having never met an American Indian in his native costume and war-bonnet.

The "Photo Gallery" recalls memories of the past in times of peace and in times of war.

Come and see if anyone of your relatives' photos is there.

A small admission fee of twenty-five cents for adults and fifteen cents for students is being charged to help expand the Indian Village.

Whenever you wish to visit Chiefswood Cultural Centre please contact:
