**Williams; Garry Grant** - Suddenly, in his 53<sup>rd</sup> year after a courageous fight for life Garry passed away at the Brantford General Hospital Palliative Care Unit. Garry will be sadly missed by his beloved wife and best friend of many years Micki Martin-Williams (also his medicine friend). Garry was a dedicated father to his children Cyerra and Todd, Savanna and Josh, Sammy and Matt, Seth, Storm, Rain and Hayley. Garry was the devoted and much loved grandfather (Popi) to Anabelle, Nicholas and Collin who will cherish the short but fantastic time they had with him. Special other Grandpa Garry to Kaidynce and Ceranidy Miller. You will all always be able to find his star. Special cousin to James and Joanne Mitchell who relentlessly supported him during his illness. Special uncle to Keira, Baby James and No:Ra. Garry was the son of the late Elwood Williams and Virg General. Garry is survived by children, aunts & uncles and at least 17 cousins. Garry's wishes were for a private ceremony and to be cremated and remain with Micki until her passing and then be buried with her. A memorial tree will be planted at the church in Brockville where Garry was baptized. Garry will be sadly missed in many communities because of his kind heartedness, working skills and good nature. He will always hold a special place in many hearts. P.S. I love you too baby.
